NOTES: Eligible for: Breeders Challenge, Ruby Buckle, Young Guns League, TQHA, Colorado Classic, Royal Crown. Well, here is your chance to possibly have a stallion with the incredibly talented Adios Pantaloons!! This pedigree is stacked top and bottom with real producers and old mixed with modern genetics! You better study this one! People Know I don't say that often! His top side needs zero introduction in what everyone has seen Adios and Tricia do over the last few years. Add that to his bottom side Miss Jb 131 LTE 10,386. And that was just until March of her Futurity year (she got hurt and retired). She is Sired by Barrel Champion Stallion CHASIN FIREWATER with progeny earnings of $1 mil+ whose sire FIRE WATER FLIT, a legend in the barrel horse industry as a performer/NFR qualifier to sire progeny having earned more than 5 million to span 3 decades to include 15 World Champions & multiple NFR qualifiers. By Juana dinero the mother of the famed Miss Jb 055 better known as peaches Miss JB 131 is a maternal half-sister to Miss JB 055 LTE 250k+) and MrJbfirstandfamous her mother Juana dinero had 4 foals and earners of 197,803.70 with no rodeo earnings included. This baby's pedigree is stacked!!! When you start with a top side like Adios Pantalones and put it with a bottom female side that goes two generations back! This black type might be worthy of stallion material! You can't go wrong here! Miss JB 131 has limited colts, and we have set back a black gelding by MRJBFIRSTANDFAMOUS to place in the right hands! We believe in this pedigree and when our program says we know-we aren't wrong often!
